

New England Recruiting Report

& National Prep Bible

Covering All of the Top Prospects in New England and Prep Schools Across the U.S.

Platinum Subscription - \$500

The Platinum Subscription is recommended for mid to high-major programs that are looking to access as much recruiting information as possible. It includes over 25 issues covering New England and prep school basketball around the country with full player evaluations (including a rating, analysis of strengths/weaknesses, contact info, academic info & headshot), the annual prep school bible (including rosters, ratings, recruiting lists & open gym schedules), and previews of upcoming live periods (rosters, ratings, event schedules). You will also receive additional information on prospects from surrounding northeast states and detailed evaluations from every event attended by the New England Recruiting Report.

Gold Subscription - \$375

The Gold Subscription is recommended for mid to low-major programs that are looking for early and detailed coverage on the New England region and prep school basketball around the country. It includes over 15 issues with full player evaluations, the annual prep school bible, and previews of upcoming live periods.

Basic Subscription - \$200

The Basic Subscription is recommended for small college programs that want basic coverage of the New England region. It includes 10 issues providing coverage of division I, II, and III level prospects, the pre-season prep school bible, and a list of upcoming events.

2011-2012 Subscription Form (July 1, 2011 – June 30, 2012)

Mail completed form and check (payable to New England Basketball Services) to:
New England Basketball Services, 6 Joelle Drive, Portland, CT 06480

Federal Tax I.D. #14-1973745

New England Recruiting Report & National Prep Bible

NCAA Compliance Check-List

The New England Recruiting Report & National Prep Bible:

Does not allow any institution to purchase more than one annual subscription;

Is made available to all institutions desiring to subscribe and at the same rate for all subscribers (see above rates);

Provides identical reports to every subscribing institution;

Publicly identifies all applicable rates on this subscription form as well as on our website, www.NewEnglandRecruitingReport.com/publications/;

Disseminates information about prospective student-athletes at least ten times per year;

Is not sold in exchange for any type of recruiting access to prospective student-athletes or as an inducement to influence a perspective student-athlete or any individual associated with a student-athlete;

Publicly identifies the geographical scope of the service as the northeast region as well as prep schools (schools with post-graduates) nationwide, and reflects broad-based coverage of both areas;

Provides analysis in the information it disseminates beyond demographical information or rankings by providing detailed evaluations, projected levels of play, academic information, and contact information;

Provides access to samples or previews of the information it disseminates prior to purchase of a subscription by making it available on our website, www.NewEnglandRecruitingReport.com/publications/;

Does not provide any video content.

The New England Recruiting Report was established in 2006 and received subscriptions from over 125 NCAA institutions last year.
