Evaluation: Skilled wing player w/ good size. Good catch and shoot player. Few better coming off screens. Too vertical to create own shot against set defender but attacks close-outs well, makes good use of glass, & can draw and kick. Uses length to contain ball defensively but can get lost away from it. Above average athlete – good defender. Moves w/o ball, gets to rim when run at, & makes open shots. Takes good shots & selectively verbal. Must get stronger, be more confident, & prove he's a point.
